

NewLook International, Inc. TiqueWash™

Material Safety Data Sheet

Section 1 PRODUCT & COMPANY IDENTIFICATION

Product Name: TiqueWash™
Manufacturer's Name: NewLook International, Inc.
Manufacturer's Address: 1525 S Gladiola Street, Suite 8, Salt Lake City, UT 84104
Information Phone: NewLook International, Inc. 877.763.9566 or 801.886.9495
Emergency Contact: For Emergency information, contact Chemtel, Inc. at 800.255.3924, Outside the USA at 813.248.0585

Section 2 COMPOSITION & INFORMATION ON INGREDIENTS Hazard Rating (NFPA/HMIS): Rating Scale:

CHEMICAL NAME	CAS Number	ACGIH TLV	OSHA PEL	STEL
Silica Crystalline Quartz	14808-60-7	0.1 mg/m3	0.1 mg/m3	N/A
Portland Cement	65997-15-1	5 mg/m3	10 mg/m3	N/A
Iron Oxide	1309-37-1	None Est.	None Est.	N/A

Health = 2	0 = Minimal
Flammability = 0	1 = Slight
Reactivity = 0	2 = Moderate
Special = H (Health)	3 = Serious
	4 = Severe

Section 3 HAZARDS IDENTIFICATION

Colored, sandy powder. Overexposure to dust can cause chronic lung injury. Acute silicosis may develop in a short time with heavy exposure. Silicosis can be progressive and may cause death.

OSHA Flammability Classification: N/A

Signs and Symptoms of Exposure:

- **Inhalation:** Nasal and respiratory irritation, dizziness, drowsiness, weakness, fatigue, confusion, nausea, headache, vertigo, possible unconsciousness, even asphyxiation.
- **Ingestion:** Amounts ingested incidental to consumer and industrial handling are not likely to cause injury; however, ingestion of large amounts could cause serious injury.
- **Eyes:** May cause irritation.
- **Skin:** Brief contact may cause slight irritation with itching and local redness. Prolonged contact may cause more severe irritation, with discomfort or pain, local redness and swelling, and possible tissue destruction.

Medical Conditions Generally Aggravated by Exposure: This product is not expected to aggravate existing medical conditions; however, ingredients contained in this product have been reported to aggravate preexisting eye, skin, respiratory disorders, lung disorders and kidney disorders.

Supplemental Health Information: This product contains crystalline silica, which is considered a hazard by inhalation. The IARC has determined that there is sufficient evidence for the carcinogenicity of crystalline silica to experimental animals, and limited evidence for the carcinogenicity of crystalline silica to humans. Crystalline silica is also a known cause of silicosis, a noncancerous lung disease.

Potential Environmental Hazard: N/A.

Section 4 FIRST AID MEASURES

Inhalation: Move to fresh air. Give artificial respiration if not breathing. If breathing is difficult, qualified personnel may give oxygen. Get medical attention.

Ingestion: If swallowed, obtain medical treatment immediately.

Eyes: Immediately flush eyes with large amount of water for at least 15 minutes, occasionally lifting upper and lower lids. Get medical attention immediately. Contact lenses should not be worn when working with this material.

Skin: Wash exposed areas with water, then soap and water. Remove and clean contaminated clothing. If irritation persists or develops, get medical attention.

Section 5

FIRE & EXPLOSION HAZARD DATA

Flash Point (Method Used): N/A
Autoignition Temperature: N/A
Lower Explosive Limit: N/A
Upper Explosive Limit: N/A
Special Fire Fighting Procedures: Product is not flammable.

Section 6

ACCIDENTAL RELEASE MEASURES

Material Released or Spilled: Small spills can be flushed with large amounts of water; larger spills should be collected for disposal.
Waste Disposal: Dispose of in accordance with applicable local, county, state, and federal regulations. Avoid discharge into natural waters.

Section 7

HANDLING & STORAGE MEASURES

Store in a cool, dry place with adequate ventilation. Keep containers closed.

Section 8

EXPOSURE CONTROL & PERSONAL PROTECTION

Personal Protective Equipment:

- Eye wash, safety shower.
- Wear safety goggles to protect eyes.
- Aprons and impervious, chemical-resistant gloves should be worn to minimize contact with skin.
- Where respiratory protection is required, use only NIOSH/MSHA approved respirators in accordance with OSHA Standard 29 CFR1910.134.
- Provide dilute ventilation or local exhaust to prevent build-up of vapors.

Other Precautions:

Use only with adequate ventilation. Do not take internally. Keep out of reach of children. Avoid contact with skin and eyes, and breathing of vapors. Keep containers closed and upright when not in use. Avoid conditions, which result in formation of inhalable particles such as spraying or sanding painted surfaces. If such conditions cannot be avoided, use respiratory protection as directed under Special Protection Information.

Work/Hygenic Practices:

Wash hands thoroughly after handling, especially before eating or smoking. Smoke in "Smoking Area" only.

Section 9

PHYSICAL & CHEMICAL PROPERTIES

Physical State: Powder
Melting Point: N/A
Solubility in Water: Negligible
pH: N/A
Vapor Pressure (mmHg): N/A
Appearance / Color / Odor: Various colors / N/A
Boiling Point Range: N/A
How to Detect this Compound: N/A
Specific Gravity (Water = 1): Approximately 3
Vapor Density (Air = 1): N/A

Section 10

STABILITY & REACTIVITY

Stability:	Stable.
Hazardous Polymerization:	Will not occur.
Conditions to Avoid:	None.
Materials to Avoid:	Oxidizing materials, acids and moisture.
Hazardous Decomposition Products:	N/A

Section 11
TOXICOLOGICAL INFORMATION
N/A

Section 12
ECOLOGICAL INFORMATION
N/A

Section 13
DISPOSAL CONSIDERATIONS

Use non-leaking containers, seal tightly and label properly. Dispose of in accordance with applicable local, country, state and federal guidelines. Do not dispose in streams, wells, lakes, rivers, oceans or sewers.

Section 14
TRANSPORT INFORMATION

DOT Proper Shipping Name:	Dry cement color
DOT Hazard Class ID Number:	Non-hazardous. Not required, Class 55.

Section 13
REGULATORY INFORMATION

Reportable Quantity: N/A
NFPA Rating 0=insignificant; 1=slight; 2=moderate; 3=high; 4=extreme
Health: 2
Flammability: 0
Reactivity: 0

Carcinogenicity Lists: Yes
NTP: No
IARC Monograph: Yes
OSHA Regulated: Yes

State Warning: This product may contain a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. Many States have adopted Federal guidelines and restrictions for hazardous chemicals. A complete list is available at www.epa.gov. Some states have expanded the Federal List and you should check with your local regulatory agency for any additional restrictions on the hazardous chemicals listed in this section.

Federal Warning:

Section 313 Supplier Notification: This product contains the following toxic chemical(s) subject of the reporting requirements of SARA TITLE III, Section 313 Emergency Planning and Community Right-To-Know Act of 1986 and of 40 CFR 372: N/A

Section 16
OTHER INFORMATION & LEGEND

IMPORTANT: The MSDS should be read before product disposal. Pass MSDS information to all persons who could be exposed to the product. The MSDS has been prepared according to OSHA Hazard Communication Standard (29 CFR 1910.1200). To the best of our knowledge, the information

contained herein is accurate and based on sources believed to be reliable. However, since data, safety standards, and government regulations are subject to change, NewLook International, Inc. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information contained herein and disclaims all liability for reliance thereon. The data on this sheet is related only to this specific material. It may not be valid for this material if used in combination with any other materials. It is the end user's responsibility to determine suitability and completeness of this information with regards to a particular use. Additional information may be necessary or helpful for specific conditions and circumstances of use. Unknown hazards may exist and this material should be used with caution. NewLook International, Inc. assumes no legal responsibility for use or reliance upon this data.

ACGIH: American Conference of Government Industrial Hygienists
CAS: Chemical Abstracts Service Registry
MISHA: Mine Safety and Health Administration
NFPA: National Fire Protection Association
